

# Creative Threads

Are you new to Australia and would like to connect with local ladies?

Do you have an interest in “threadwork”?

*Threadwork covers patchwork & quilting, personal sewing, knitting, crochet, and most other things that involve fabric, threads, yarn, needles, hooks or shuttles.*

If not, would you like to give it a go?

If you have answered “yes” to any of the above, then we invite you to join us

We meet at CoroUniting Church

Creative Threads is an opportunity to befriend refugees and others new to these shores, through a common love of threadwork.

A ministry of CoroUniting Church.
