

After school art lessons 2020

Dear families,

Because art is becoming less specialised in mainstream schools and there is a lack of affordable local after-school art lessons, we have been encouraged to start our own class to meet this need. After a successful trial in Term 4 2019, we are pleased to offer this class again in 2020.

If you have a middle/upper primary school child with an interest in art we would love to invite them to join us. These lessons aim to be a fun experience, giving children a range of opportunities to experiment with different styles of art and try working with different mediums/art materials.

The details:

Who: 9-12 year old children

When: 1.5 hours weekly, Mondays 4:00-5:30pm

Term 1 lessons: 10 weeks (3 February – 6 April)

Location: CoroUniting KBG hut (upper carpark), 415 Main Rd Coromandel Valley SA 5051

Facilitators: Deborah Forsythe and Daniel Bell

Price: \$20 per child per week. Pricing for additional siblings may be negotiated if required.

Children also require a basic art kit (A4 visual art diary, HB pencil, 2B pencil, 6B pencil, 0.4mm art pen, and 0.6mm art pen). This can be purchased from us in your first lesson for \$15, or you can provide these for your children. All other lesson materials are included in the cost (unless otherwise negotiated with parents).

We hope to have a full class of 8 students for this term. We may consider running an additional class if there is sufficient interest.

If your child is interested please let us know by the **28th of January 2020**.

Kind regards,
Deborah Forsythe and Daniel Bell
