

CARRING

AT

CORO

CARING AT CORO

A key component of our vision to be "A People Focused on Jesus, Living & Sharing God's Good News" is to build one another up.

This means we want to be encouragers, supporters, carers, and faithful friends, pointing people to their hope in Jesus by our words and actions.

SOME WAYS WE CAN DO THIS ARE

Showing others hospitality at church

Coffee catch-ups

Sharing a meal

Prayer

Bringing friends to church

Being in a Life Group

Mentoring

Meeting needs

Helping with transport

So consider who you could reach out to, whether an old friend or new, to build them up and in so doing build up the body of Christ.

"We loved you so much that we shared with you not only God's Good News but our own lives, too"

1 Thessalonians 2:8
